Sofas

The Pianoalto collection of modular sofas is enriched with two new curved elements that allow spatial configurations characterized by more sinuous and enveloping lines. The resulting compositions favor a cozy and intimate dimension, ideal for creating areas of conversation and conviviality in residential and contract environments.

Divani

La collezione di divani modulari Pianoalto si arricchisce di due inediti elementi curvi che permettono configurazioni spaziali caratterizzate da linee più sinuose e avvolgenti. Le nuove composizioni che ne risultano favoriscono una dimensione raccolta e accogliente, ideale per creare aree di conversazione e convivialità negli ambienti residenziali come in quelli contract.
